	Kiribati does not operate any dedicated immigration detention facilities. Instead, foreigners who have committed immigration offences may be detained at a motel, hotel, or guesthouse at the cost of the individual passenger, their agent, or their employer. Those who cannot afford accommodation will be detained in a State Prison Facility. As of September 2020, Kiribati remained one of only a small handful of countries that had yet to report any Covid-19 cases.	2020
