Re: FOIA Case Number 07-FOIA-51185

Dear Mr. Flynn:

This is an interim response to your Freedom of Information Act (FOIA) request to Immigration and Customs Enforcement (ICE), dated January 17, 2007, and received by this office on January 22, 2007. You have requested copies of the following:

1. A list of the facilities used by ICE for the purpose of holding immigration detainees
2. The names of each facility and location
3. How much space each facility provides, and
4. Copies of individual contracts for each facility

We are granting items 1, 2 and 3 of your request under the FOIA, Title 5 U.S.C. § 552, as amended, and DHS' implementing regulations, 6 C.F.R. Chapter I and Part 5. After carefully reviewing the responsive documents, I have determined that they are appropriate for public release. They are enclosed in their entirety; no deletions or exemptions have been claimed

In response to item 4 of your request, please be advised that there are approximately 960 responsive contracts/agreements. It is estimated that each contract/agreement is approximately 150-300 pages in length. Pursuant to the DHS implementing regulations, 6 C.F.R. § 5.11, educational requestors are charged 10-cents per page for duplication, although the first 100 pages are free. It is estimated that our search would yield approximately 216,000 pages. Duplication costs for 215,900 pages at a rate of \$0.10 per page would total \$21,590.00 USD. Based on this information, it is estimated that the overall fee to process your request will equal approximately \$21,590.00 USD.

Since the total estimated fee exceeds \$250.00, you must make an advance payment of an amount up to the amount of the entire anticipated fee before we can begin to process your request.¹ Please submit your check or money order in the amount of \$10,795 USD, made payable to the Treasury of the United States, to this office within 10 business days from the date of this letter. Please mail your payment to this office at the following address:

Immigration and Customs Enforcement
Freedom of Information Act Office
800 North Capitol Street #585

¹ See 6 C.F.R. § 5.11(i).

Washington, DC 20536

In the alternative, you may narrow the scope of your request to reduce the universe of responsive records. If you wish to narrow the scope of your request and identify specific contracts, please send an amended request and indicate the processing fee amount you are willing to pay within 10 business days from the date of this letter. You may send your amended request to the address above, or send it by facsimile to (202) 732-0310.

If we do not receive an advance payment of \$10,795.00 USD or an amended request from you within fifteen (15) business days from the date of this letter, we will consider this request withdrawn, and we will administratively close your request file.

You have a right to appeal the above withholding determination. Should you wish to do so, you must send your appeal and a copy of this letter, within 60 days of the date of this letter, to: Associate General Counsel (General Law), U.S. Department of Homeland Security, Washington, D.C. 20528, following the procedures outlined in the DHS regulations at 6 C.F.R. § 5.9. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

Provisions of the FOIA and Privacy Act allow us to recover part of the cost of complying with your request. In this instance, because the cost is below the \$14 minimum, there is no charge.²

If you need to contact our office about this matter, please refer to case number 07-FOIA-51185. This office can be reached at (202) 732-0300 or (866) 633-1182.

Sincerely,

Catrina M. Pavlik-Keenan
FOIA Officer
